Aprašymas

Focus on the Road and Stay Connected.

The Manhattan Magnetic Car Air-Vent Phone Mount can be used with all phones and other devices for convenient, secure device mounting while you're on the go. The Phone Mount offers two different clip sizes so you can easily install it directly into most any vehicle's air vent. Included magnetic pads allow the device to be attached in portrait and landscape positions. The adjustable, locking ball-joint offers a 360° swivel so you can angle the base in any way you see fit, and with a built-in non-skid pad, your device remains secure from road vibrations and unexpected bumps.
