Aprašymas

Experience writing at a higher standard
Natural & Precise Writing
The Flip offers smooth and accurate pen performance, bringing writing closer to real ink. With 26ms response speed and 2,048 pressure levels, strokes flow naturally, translating ideas instantly onto the screen. Flexible Erasing allows intuitive corrections with hand or palm, maintaing seamless flow.

Share your ideas instantly and clearly
Enhanced Whiteboard
The enhanced Whiteboard App makes every note and sketch editable, enabling you to freely move or resize content with retained clarity and detail. The AI Writing Tool allows direct input of handwritten text into search fields and automatically refines rough shapes into clean, professional graphics.

Your favourite tools, all in one place
Flip Home
Flip Home keeps your frequently used apps — Whiteboard, Note On, Workspace, or Screen Share — right on the screen, exactly where you want them. Customise your toolbar once, and every meeting becomes smoother and more efficient, with quick access to the tools your team relies on.

Reliable performance and enterprise-grade protection
Samsung Knox Security
Keep every discussion and idea secure. Backed by Samsung Knox, The Flip provides multi-layered protection against unauthorised access and data leaks. From boot-up to shutdown, critical business content stays safe, allowing teams to collaborate with confidence — even in connected environments.

Take notes instantly, anywhere on the screen
Annotation On
Users can quickly write on the screen at any moment, thanks to the easily accessible Annotation function. Whether watching a video or browsing online, theres no need to interrupt the session or take screenshots. This feature makes real-time collaboration effortless.

View more. Do more.
Easy Multitasking
Boost meeting efficiency with Easy Multitasking, displaying multiple windows on one screen. Multi-window modes let you review documents, browse the web, and take notes simultaneously — no screen switching needed.

Collaborate between screens with wire-free speed
SMARTVIEW+
Make collaboration seamless with wireless screen sharing across multiple devices up to 9 allowing you to quickly switch between them with a single click.

Present from any Apple device — no cables needed
AirPlay 2
With built-in AirPlay 2, Flip allows users to share content from their iPhone, iPad, or Mac in seconds — no adapters or setup required. Whether it's a quick idea sketch or a high-resolution presentation, The Flip brings it to the room seamlessly and wirelessly.

Seamless access to your work
Workspace
With Workspace, secured by Knox, users can easily access a remote PC, network drive, or cloud-based business applications like Microsoft 365. This keeps teams connected to their resources and workflows, ensuring smooth collaboration and continuous productivity — even outside the office network.

Clear and bright under challenging lighting

Pateikta prekės informacija yra orientacinio pobūdžio. Techninės savybės, nuotraukos, aprašymai ir kaina gali keistis be išankstinio perspėjimo. Gamintojas ir pardavėjas neatsako už galimus duomenų neatitikimus ar tipografines klaidas. Prieš įsigyjant rekomenduojame pasitikrinti aktualią informaciją.

Anti-glare
The Flips 450-nit brightness ensures vivid visibility even in well-lit spaces, while the anti-glare coating minimises reflections for distraction-free collaboration. Whether in brightly lit meeting rooms or near windows, every detail remains easy to see and effortless to share.

One display, two ways to create
Rotatable Design
Turn your screen to fit your ideas. The Flips rotatable design allows teams to switch freely between vertical and horizontal modes — vertical for writing and mind-mapping, horizontal for presentations and group discussions. It's a single display that adapts to every phase of collaboration.

One connection for every device
USB-C Hub
The Flips integrated USB-C hub simplifies your meeting setup. With a single connection, external devices like cameras or document readers can be shared between the Flip and a connected PC — no cable swapping or setup delays. Keep the focus on ideas rather than hardware.

Share your screen, expand your impact
HDMI Out
Make every presentation visible to the entire room with HDMI Out. Simply mirror the Flips screen to a larger display or projector for wider viewing — ideal for larger meeting spaces or hybrid sessions. This ensures everyone stays engaged and aligned, no matter where they sit.

Change the way to manage your display
Samsung VXT
The cloud-based Samsung VXT brings together content management and remote device management capabilities. Remotely manage hardware settings and troubleshoot issues, while effortlessly creating and deploying content with no previous training needed.

Empower your business with smart control
SmartThings Pro
SmartThings Pro integrates IoT connectivity into Samsung's digital signage, enabling seamless conenction with other devices across business environments. From lighting to building systems, the signage joins a connected ecosystem — controlled, monitored, and automated through a single platform.

Techninė specifikacija

Display	
Display diagonal	190.5 cm (75")
Display resolution	3840 x 2160 pixels
HD type	4K Ultra HD
Panel type	VA
Response time	8 ms
Viewing angle, horizontal	178°
Viewing angle, vertical	178°
Pixel frequency (max)	148.5 MHz
Colour gamut	72%
Ports & interfaces	
USB port	Yes
HDMI input ports quantity	2

RS-232 interface	Yes
Design	
Panel mounting interface	400 x 400 mm
Power	
Power consumption (typical)	385 W
AC input voltage	100 - 240 V
AC input frequency	50/60 Hz
Weight & dimensions	
Display width	1735.4 mm
Display depth	83.7 mm
Display height	1038.5 mm
Width	1735.4 mm
Depth	83.7 mm
Height	1038.5 mm
Weight	53.6 kg
Weight (with stand)	53.6 kg
Packaging data	
Package width	1885 mm
Package depth	210 mm
Package height	1171 mm
Package weight	64.5 kg
Operational conditions	
Operating temperature (T-T)	0 - 40 °C
Certificates	
Certification	CB (Europe) : IEC60950-1/EN60950-1CCC (China) : GB4943.1-2011PSB (Singapore) : PSB+IEC60950-1NOM (Mexico) : NOM-001-SCFI-1993IRAM (Argentina) : IRAM+IEC60950-1SASO (Saudi Arabia) : SASO+IEC60950-1BIS(India) : IEC60950-1 / IS13252NOM(Mexico) : Tuner : NOM-001-SCFI-1993 Tunerless : NOM-019-SCFI-1998KC(Korea) : K 60950-1EAC(Russia) : EAC+IEC60950-1INMETRO(Brazil) : INMETRO+IEC60950-1BSMI(Taiwan) : BSMI+IEC60950-1RCM(Australia) : IEC60950-1/AS/NZS 60950-1UL(USA) : cUL60950
Network	
Ethernet LAN	Yes
Wi-Fi	Yes
