Pagrindinės savybės

- ✓ **UNIVERSAL 19" FIT:** Add a sliding shelf to any 19in server rack or cabinet for easy peripheral and equipment access; This pull out tray can function as a sliding shelf, or a 1U drawer when inverted
- ✓ **HEAVY-DUTY & DURABLE DESIGN:** Constructed with solid steel, the sturdy IT-grade pull out keyboard tray ensures long term durability and supports a total weight load of 55lb (25kg)
- ✓ **COMPACT DESIGN:** The 1U server rack shelf features a compact form factor, making it ideal non-rackmount equipment, tools and peripherals in your home, studio or office space
- ✓ **VERSATILE FUNCTIONALITY:** This 22in (55cm) deep slide out tray can switch from a sliding shelf to a sliding drawer; It's ideal for adding additional sliding storage space for your IT or AV accessories
- ✓ **THE IT PRO'S CHOICE:** Designed and built for IT Professionals, this sliding server rack shelf is backed for life, including free lifetime 24/5 multi-lingual technical assistance

Aprašymas

Add a sturdy, sliding shelf for easy peripheral and equipment access in your server rack or cabinet

The Black SLIDESHELF D 22in Deep Sliding Server Rack Cabinet Shelf lets you add a 2-in-1 slide-shelf / keyboard tray that helps you keep costs down

and productivity up.

As your server cabinet needs change, the SLIDESHELF changes to suit by allowing you to use it as a sturdy sliding shelf, or a 1U pull out drawer with a weight capacity of 55 pounds. Simply flip the installed drawer over and it becomes a shelf to hold monitors, laptops and other diagnostic equipment. An easy-to-hide handle pulls out to help you get a grip on the situation and hides away quickly.

The rack shelf includes all of the tools needed for installation, and is compatible with standard 19in racks and cabinets with a 22in depth, including the StarTech.com 7236CABINET, RK2236BKF, RK4236BK, and RK4236BKNS DuraRak cabinets.

Techninė specifikacija

Features
