### Pagrindinės savybės

- ✓ Stylish and practical: with the trendy mobile phone strap, the mobile phone case in an instant becomes a mobile phone bag that can be carried around and means you always have your mobile handy
- ✓ Easy attachment: insert the T-shaped transparent plate into the inside of the mobile phone case, pull the tab through the cut-out for the charging socket, reattach the mobile phone case to the smartphone - the patch on the mobile phone cord can be left in place
- ✓ Stable: mobile phone chain with snap hook made from sturdy metal / plastic blend, keeps the mobile phone secure
- ✓ Customisable and adjustable: 2-metre strap length (Ø 8 mm) allows lots of carrying options with the mobile phone strap - in a trendy cross-body style, casually over a shoulder or simply in one hand
- ✓ Always handy: no bulging trouser pockets, no rummaging around endlessly in handbags - the mobile phone cord is ideal for parties, festivals, work, on the go and everyday situations
- ✓ Interchangeable: since the patch remains inside the mobile phone case, simply use several hanging straps and swap them to suit your style, mood or situation

## Aprašymas

Stylishly draped: en vogue with the mobile phone strap - the mobile phone immediately to hand for a selfie, business call or the search for the next deli. And make a statement in terms of accessories with trendy colours - perfectly combined throughout the day!

## Mobile phone chain with snap hook

Quick to attach and detach: Mobile phone chain with snap hook can be released from the mobile phone case and attached again with one click - use just as you need it

## Comfortable to wear

Lightweight and comfortable: soft and lightweight mobile phone cord can be worn all day long without the mobile phone strap becoming uncomfortable

## Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

## FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
