Life is a contact sport. Protect your phone from bumps and bruises of everyday life with the PanzerGlass® HardCase. Simply snap it on and you're ready to go. The HardCase features a stiff, transparent back cover surrounded by a softer TPU frame. This combination of materials provides a high-level scratch and impact resistance. And to top it all off, the case is anti-yellowing so it will continue to look good, day after day - even with heavy use. The HardCase also provides an extra level of protection from germs and bacteria by featuring an innovative anti-bacterial coating that is proven to kill up to 99.99% of the most common surface bacteria.
