Pagrindinės savybės

- ✓ Specially designed for DisplayPort/HDMI combo connectors
- ✓ Enhances HDMI cable connection stability and flexibility
- ✓ One-piece, reusable design for easy installation and removal
- ✓ Eco-friendly – RoHS compliant and recyclable

Aprašymas

Combo LockPro is ATEN's exclusive and innovative solution designed to prevent signal loss caused by loose or detached HDMI connectors. Specially engineered for DisplayPort/HDMI combo connectors, it ensures a strong and secure connection between HDMI cables and compatible devices, making it ideal for mission-critical applications where signal stability is non-negotiable.

With a one-piece, reusable design, Combo LockPro allows for quick, tool-free installation and removal, while significantly enhancing both durability and connection reliability. Designed with environmental consciousness, the product is RoHS compliant and fully recyclable, offering a practical and efficient way to maintain uninterrupted signal transmission in demanding professional settings.

Techninė specifikacija

Features	
Product colour	Yellow
Best uses	Universal
Country of origin	China
Packaging data	
Quantity per pack	10 pc(s)
Package width	190 mm

Package depth	105 mm
---------------	--------

Package height	30 mm
----------------	-------

Package weight	20 g
----------------	------

Matmenys ir svoris

Svoris	0,20kg
--------	--------
