Pagrindinės savybės

- ✓ Connects a device with IEC 60320 C8 socket to a standard two-slot EU AC or similar power outlet
- ✓ Great for laptop power supplies, printers, scanners, smaller TVs, gaming consoles (PS5, Xbox Series X/S), radios, shavers, projectors, and other small appliances
- ✓ 90° angled plugs on both ends for easy connections in tight spaces, such as behind cabinets or in corners
- ✓ Ideal replacement, upgrade or spare power cable for a misplaced or overused one
- ✓ Universal CEE 7/16 plug fits European type C, E and F sockets
- ✓ Oxygen-free copper (OFC) wire for maximum conductivity
- ✓ Flexible, durable PVC jacket with heavy-duty strain relief
- ✓ For indoor use only

Aprašymas

Angled Europlug Power Cable, 3m for C7 (Euro) Devices - Ideal for Tight Spaces

The Manhattan Angled EU Power Cable (C7 to CEE 7/16) is the perfect solution for delivering safe, reliable AC power to your compact electronics. With its 90° angled plugs on both ends, this cable is made for tight spaces - ideal for use behind desks, cabinets, or entertainment units where straight connectors simply don't fit.

Designed for Your Everyday Electronics

Whether you're powering a laptop, gaming console like the PS5 or Xbox Series X/S, a projector, radio, or a small TV, this 3-meter cable keeps your setup neat and functional. It connects any device with an IEC C8 socket to a standard two-pin European outlet. It's a smart upgrade or replacement for a worn-out or lost power cord - and a great spare to keep on hand.

Built to Last and Universally Compatible

With a flexible PVC jacket and reinforced strain relief, this cable stands up to frequent use. The high-quality bare copper wiring ensures strong conductivity, while the CEE 7/16 Europlug fits into European type C, E, and F sockets - making it a truly versatile power solution for home, office, or travel.

Techninė specifikacija

Features	
Product colour	Black
Connector 1 gender	Male
Connector 2 gender	Female
Cable length	3 m
Connector 1	Power plug type C
Connector 2	C7 coupler
Connector 1 standard	CEE 7/16
Connector 1 form factor	Angled
Connector 2 form factor	Angled
Connector angle	90°
Jacket material	Polyvinyl chloride (PVC)
Conductor material	Oxygen-Free Copper (OFC)
Cable type	H03VVH2-F2G

Conductor cross section	0.75 mm²
Number of cable cores	2
Power	
Input voltage	250 V
Maximum current	2.5 A
Operational conditions	
Operating temperature (T-T)	-10 - 40 °C
Storage temperature (T-T)	-20 - 50 °C
Certificates	
Compliance certificates	CE, REACH, RoHS, UKCA
Weight & dimensions	
Width	48 mm
Depth	3000 mm
Height	40 mm
Diameter	6.3 mm
Weight	135 g
Packaging data	
Quantity per pack	1 pc(s)
Package type	Polybag
Package width	310 mm
Package depth	180 mm
Package height	15 mm
Package weight	147 g
Matmenys ir svoris	
Svoris	0,14kg
