Aprašymas

Life is a contact sport. Protect your phone from the bumps and bruises of everyday life with the PanzerGlass® HardCase. Simply snap it on and you're ready to go. The HardCase features a stiff, transparent back cover surrounded by a softer frame. This combination of materials provides a high level of drop protection. The case has been drop-tested according to 3 x Military Grade Standard, which means that it can withstand several drops from a height of 3.6 meters or a sitting-on-a-balcony-and-accidentally-dropping-my-device kind of height.

And to top it all off, the HardCase is anti-yellowing so it will continue to look good, day after day – even with heavy use. The case also provides an extra level of protection from germs and bacteria thanks to an antibacterial effect that is proven to kill up to 99.99% of the most common surface bacteria.

Our products are designed with a commitment to extend the lifetime of your device. The HardCase frame is made from 100% recycled material and the case comes in FSC™-certified packaging that can be recycled.
