Pagrindinės savybės

- ✓ 90% PCR = Outer shell made with 90% post-consumer recycled plastic.
- ✓ 70W fast charging = Need for speed. USB-C up to 70W fast charging. Charge your phone from 0-50% in 30 minutes.
- ✓ PD-3.1 = USB-C PD-3.1-certified with integrated USB power delivery 3.1, meaning it can deliver a safe, high-power charge to your compatible device while reducing the heat output.
- ✓ GaN Technology = Integrated with GaN technology. The utilization of gallium nitride (GaN) technology results in smaller product sizes, enhanced charging efficiency and superior thermal dissipation capabilities.
- ✓ Built-in protections to prevent overheating = With 24-hour intelligent safety systems and scientific design, our products feature real-time temperature control, ensuring a 10 degree lower temperature than international standards.

Aprašymas

FAST CHARGE

empower by PanzerGlass® Turbo 70W Charger (USB-C x 2 + USB-A) 70W

Reliable and durable chargers for smartphones, tablets, laptops, and more devices. Ready for fast charging.

One charger for all your devices

Supports fast charging up to 70W
EU Plug
Built-in protection to prevent overheating
Integrated with GaN technology for enhanced charging efficiency and superior thermal dissipation
PD3.1 for wider compatibility and stable charging
Made from 90% post-consumer recycled (PCR) plastic

Enhanced durability

Introducing the empower by PanzerGlass® Turbo Charger Series – where reliability meets speed! This robust charger is designed with GaN technology, resulting in **smaller product sizes** and **improved thermal management**.

Carefully engineered to prevent overheating, it **guarantees a long life** and safe charging experience.

Multi-Device Charging

With 70W power delivery, it can charge your phone **from 0-50% in just 30 minutes**. The charger features **real-time temperature control**, ensuring a 10-degree lower temperature than international standards. This promises secure and protected charging, giving you peace of mind as you power your devices. And the best part? It's made from **90% post-consumer recycled (PCR) plastic.**

We make extraordinary accessories that empower people to connect with friends, family, colleagues and technology every day.

Techninė specifikacija

Performance	
Charger type	Indoor
Charger compatibility	Smartphone
Power source type	AC
Number of simultaneously connected devices (max)	3
USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity	1
USB Type-C ports quantity	2
Fast charging	Yes
Fast charging technology	GaN, Turbo Charge
Power protection features	Overheating
Brand compatibility	Universal
Compatibility	Universal - Universal
Design	
Product colour	White
Gallium nitride (GaN) transistors	Yes
Weight & dimensions	
Width	31.5 mm
Depth	80.5 mm

Height	53.5 mm
Weight	133 g
Packaging data	
Package width	108 mm
Package depth	38 mm
Package height	150 mm
Package weight	187 g
Package type	Hanging box
Packaging content	
Quantity per pack	1 pc(s)
Sustainability	
Sustainability certificates	Global Recycled Standard (GRS)
Sustainable technologies and materials	90% recycled post-consumer polycarbonate
Logistics data	
Harmonized System (HS) code	8504408590
Country of origin	China
Matmenys ir svoris	
Matmenys (I × P × A)	14,00cm × 11,00cm × 4,00cm
Svoris	0,19kg
