Aprašymas

With the elegant and impact-protective Copenhagen wallet case, you will always have your phone and wallet with you. It's handcrafted from full-grain leather that develops a beautiful patina with use and features a foldable back for hands-free horizontal video watching. Protect your phone with this handcrafted slim and feature-rich case.

Premium Feel with a Lower Environmental Impact

The Copenhagen wallet case merges luxurious full-grain leather with recycled materials, offering a sophisticated design that balances elegance and functionality with a reduced environmental footprint.

Long-Lasting Full-Grain Leather Meets Recycled Materials

Handcrafted from upcycled full-grain leather, Copenhagen offers a premium feel and durability as it develops a distinctive patina over time. The inner cradle is made from 100% GRS-certified recycled materials integrating responsible material use into its high-quality design.

Convenient Wallet and Kickstand Features

Stay organised with three credit card slots, room for up to five cards, and a dedicated note section. The foldable back converts into a stand for hands-free horizontal video watching and convenient typing.

Impact Protection and Sleek Design

Engineered to provide excellent impact protection while maintaining a slim profile, Copenhagen combines wallet functionality with robust defence without adding bulk.

Produced with Green Energy

Manufactured in a factory powered by 100% renewable energy, Copenhagen underscores a commitment to environmentally responsible production practices.
