Aprašymas

Designed with premium leather

The Stitch Leather Band uses genuine Dutch calf leather fit for each side. Aged leather creates a natural feel on the outside, then on the inner side strengthened leather protects against discolouration, bleaching and abrasion.

Makes your watch a classic

Completing Galaxy Watch3's real watch look, the Stitch Leather Band has a traditional design boasting detailed stitching and a polished edge shape. Together with its triangular tip and quality padding, it's a strap made for a classic.
