## Aprašymas

Universal infra-red remote control for the handy and convenient control of free-standing air-conditioning units and fixed-installation air-conditioning systems, ideal as an additional remote control or replacement for faulty or lost original remote controls

## Pre-programmed

Pre-programmed replacement remote control for all standard brands and devices (e.g. Daikin, Mitsubishi, Panasonic, LG, Samsung and much more)

## Timer function

Simply air condition in between: an integrated timer automatically switches the device off after a preset time, protecting against unnecessary power consumption

### Backlit display

LCD display with backlight for easier use in the dark

## Batteries included

Simply insert: The batteries for the TV remote control are included in the extent of delivery – so the multi-remote control is ready to go immediately

## Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

## FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
