Pagrindinės savybės

- ✓ Quick and easy to attach, powerful grip when on the move: flexible mobile phone holder for the secure attachment of a smartphone to the handlebars of an e-bike, pedelec, bicycle or e-scooter
- ✓ The bicycle mobile phone holder is compatible with smartphones with a width of 7-8 cm and height of 14.5 - 17 cm
- ✓ For handlebars with a diameter of 2.5 - 3 cm can be fitted without spacer ring, for diameters of 1.8 to 2.5 cm: use the enclosed silicone compensating ring
- ✓ Easy locking by flipping the lever on the clamp holder and the lock can be just as easily released
- ✓ Non-slip attachment of the mobile phone holder to the bicycle or E-bike handlebars with silicone rings
- ✓ The phone can be turned as desired, e.g. for horizontal navigation on the smartphone
- ✓ Full access to all buttons and inputs of the phone, so the device can be operated without removing it from the holder, e.g. also via Face ID or the fingerprint sensor
- ✓ Secure grip of the smartphone since the corners are positioned firmly in the silicon straps
- ✓ The smartphone is protected from shocks, scratches, etc. by the silicone holder and rubberised resting surfaces
- ✓ The smartphone holder for e-bikes, bicycles, etc. is secured to the handlebars without adhesive, drilling or tools and can be easily removed if required

Aprašymas

Quick and easy to attach, powerful grip when on the move: flexible mobile phone holder for the secure attachment of a smartphone to the handlebars of an e-bike, pedelec, bicycle or e-scooter

Extra space-saving

Especially slimline design: the mobile phone holder on the E-bike handlebars has sufficient space for all the other things, from blades and LED torches to gearshifts and accessories

360° swivel holder

For portrait or landscape format: 360° swivel holder for optimised alignment of the smartphone - locks for a stable hold while travelling

Clamp attachment

Ideal for portrait and landscape format: simply turn the smartphone holder and move it to landscape format for easier navigation, for example

Flexible silicone holder

Non-slip and always a perfect fit: flexible silicone holder for easy insertion and removal of the smartphone

Clamps, not screws

Simple, tool-free assembly thanks to clamp attachment: mechanical rotary clamp screw for fast and flexible attachment to the handlebar stem

Suitable for every smartphone

Suitable for every smartphone with and without case or or protective sleeve
