Pagrindinės savybės

- ✓ **QUICKLY ACCESS A 2.5" SATA SSD OR HDD:** Connect to a 2.5in SATA SSD (solid state drive) or HDD (hard disk drive) to add storage, perform backups, create disk images, recover data, and transfer content to your laptop; Not Compatible with 3.5in drives
- ✓ **COMPATIBILITY:** This bus-powered adapter is compatible with 2.5in drives; 3.5in drives require a dedicated power connection; For an adapter that supports 3.5in drives, please see our USB31C2SAT3
- ✓ **FAST TRANSFER SPEEDS:** The SATA hard drive adapter cable lets users experience enhanced performance and super-fast data transfer speeds with support for USB 10Gbps and UASP
- ✓ **CONNECT FROM ANYWHERE:** The hard drive USB C adapter cable is a portable solution that tucks away nicely in a laptop bag with no external power required
- ✓ **SAVE TIME:** The hard drive transfer cable lets you conveniently swap between drives with no need to install the drive inside an enclosure, just plug and play into a USB-C host system; No driver-install required; OS-Independent

Aprašymas

Get ultra-fast access to data by connecting a 2.5" SATA SSD/HDD to your laptop's USB-C port

Take advantage of the USB-C™ port on the latest MacBook, Chromebook Pixel™ or other laptop to get quick access to your external drive. This cable-style adapter lets you use the USB Type-C™ port to connect your laptop directly to a 2.5" solid-state drive or hard drive, and access it through ultra-fast USB 10Gbps. It's fast and easy to connect to your SATA drives, with no additional accessories required.

Ultra-portable with no external power required

You can quickly access your valuable data, wherever you go, using this cable-style adapter. It's USB powered, so there's no external adapter required, and features a compact, lightweight design that you can easily tuck into your laptop bag or carrying case.

Convenient drive access

The adapter cable lets you quickly swap HDDs or SSDs without having to install your drives into an enclosure. You can copy or retrieve data from a 2.5" SSD or HDD quickly. It gives you easy access to your drive for data migration, drive cloning and data backup applications, with the fast performance of USB 10Gbps.

Connect easily, with USB-C

The integrated, easy-to-use USB Type-C connector is small and reversible, which makes for easier insertions. You can connect the plug with either side facing up, which means less risk of damaging your ports, and less frustration.

Harness the speed of USB 10Gbps

USB 10Gbps (also known as USB 3.2 Gen 2) gives you greater bandwidth and speed with file transfer rates of up to 10 Gbps - twice the speed of USB 5Gbps (also known as USB 3.2 Gen 1 or USB 3.0) technology. It lets you leverage the high performance of the latest SSDs and hard drives, while alleviating bottlenecks in your data transfers.

Note: This product is not compatible with 3.5 in. hard drives. For 3.5 in. drive support, please see our [%product text="USB-C to SATA Cable with Supplemental Power (USB31CSAT3CB)].

Techninė specifikacija

Ryšys	
DC įėjimo lizdas	Ne
Veikimo charakteristikos	
Produkto spalva	Juoda
Integruotas kortelių skaitytuvas	Ne
Duomenų perdavimo sparta	10 Gbit/s
UASP palaikymas	Taip

Sertifikavimas	CE, FCC, REACH
Energijos valdymas	
Belaidis įkrovimas	Ne
Aplinkos sąlygos	
Darbo temperatūros diapazonas (TT)	0 - 70 °C
Sandėliavimo temperatūros norma (T-T)	-10 - 55 °C
Svoris ir matmenys	
Plotis	43 mm
Ilgis	508 mm
Aukštis	5 mm
Svoris	29,2 g
Pakuotės duomenys	
Pakuotės plotis	200 mm
Pakuotės gylis	162 mm
Pakuotės aukštis	15 mm
Paketo svoris	41 g
Pakuotės turinys	
Instrukcija	Taip
Techninė informacija	
Atitikties sertifikatai	RoHS
Logistikos duomenys	
Gaminių skaičius pagrindinėje (išorinėje) dėžėje	240 vnt
Pagrindinės (išorinės) dėžės plotis	446 mm
Pagrindinės (išorinės) dėžės ilgis	421 mm
Pagrindinės (išorinės) dėžės aukštis	440 mm
Darniosios sistemos (DS) kodas	84733020
Kitos savybės	
Kabelio ilgis	0,5 m
Lustų rinkinys	ASMedia - ASM1351
Matmenys ir svoris	
Svoris	0,06kg
