Pagrindinės savybės

- ✓ Control multiple devices via a single universal infra-red remote control: ideal as a replacement remote control for TVs, DVD players, video recorders, Blu-Ray players, receivers, etc
- ✓ Macro power: switch two devices on or off at the same time with only one remote control
- ✓ Master volume control and master channel selection: choose which device controls the volume and channel
- ✓ Colour-coded buttons for controlling the on-screen menu of your smart TV, e.g. "red button" or Teletext
- ✓ Each device button can be custom-assigned
- ✓ Direct code entry for rapid programming of the TV remote control; the code list is included in the scope of supply or online on the Hama website
- ✓ Automatic code search for convenient programming using a search function: For most AV devices, codes are already pre-programmed in; these are cycled through until the device responds
- ✓ Code memory: saves all the codes you have programmed on the TV universal remote control for up to ten minutes while the battery is being changed
- ✓ Thanks to its slim design, the multi-function remote control fits perfectly in the hand
- ✓ With the wide range of 10 metres, you can control the TV conveniently even in large living rooms
