Quality based on German standards

From the initial sample to series maturity: our products undergo strict and comprehensive quality controls, managed and carried out in Germany. This enables us to guarantee compliance with all specifications, guidelines and standards – and satisfy the strictest demands.

Pleasant to the touch

A sophisticated hand flatterer: the silky rubber finish surface of the phone case looks and feels great

Anti-stick surface

Non-sticky: special rubber surface prevents crumbs from sticking to the phone case and allows the phone to be removed from trouser pockets, jacket pockets and handbags in one go

Edge protection for the display

Additional protection for the mobile phone display: The mobile phone case has a raised edge all around - so the touchscreen is better protected

Camera protection through raised edges

Lay it down carefree: the raised edges on the back of the phone case provide protection for the protruding camera lenses without affecting the quality of the photos

Protected side buttons

A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point

Custom-fit

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

Scratch-resistant

Scratch-resistant mobile phone case: back made of anti-scratch material is resistant to keys, pens and coins in trouser, hand and jacket pockets

Anti-fingerprint effect

Fingerprint-resistant front: the sturdy material of the phone flip cover avoids ugly smears from fingerprints - and instead simply always looks fresh and clean

Soft inside lining

Softly embedded all round: soft inner lining to protect the sensitive screen and back of the smartphone

2 insert compartments for cards

Mobile phone case with wallet function: the 2 card compartments in the mobile phone case offer space for ID, cards, tickets, notes etc. - always at hand without having to search for your wallet

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
