Aprašymas

The MicroConnect PEEUC7AD Power Adapter is your reliable solution for connecting devices with a C7 female connector to standard EU power outlets. This adapter seamlessly converts the EU plug (Type C) to a C7 male connector, allowing you to power a wide range of devices, from laptop chargers to audio equipment. Built with premium quality materials and adhering to strict European safety standards, the PEEUC7AD ensures a safe and secure connection. MicroConnect brings over 20 years of expertise to this essential adapter, offering a cost-effective way to bridge connectivity gaps and keep your devices powered up, wherever you are in Europe. Trust in MicroConnect for dependable power solutions and experience the peace of mind that comes with our commitment to quality and innovation.

Techninė specifikacija

Features	
Plug connector type	Type M
