Aprašymas

Protect your watch from the hazards of everyday life with PanzerGlass®. Accidental bumps against handrails, elevator doors or table corners are no match for this scratch and shock-resistant screen protector glass. It even keeps your watch safe if you knock it down from your nightstand or bathroom sink onto a stone-hard floor. As an added bonus, the smudge-free coating with antibacterial effect kills up to 99.99% of all common surface bacteria and reduces traces of fingerprints and dirt. The screen protector glass is easy to apply and once installed, you'll never again fear the screeching sound of glass against metal. This may never happen, but if it does, you'll regret not having clicked "add to cart".

The glass covers the screen and comes in FSC-labelled packaging that can be recycled.
