Pagrindinės savybės

- ✓ Universal infra-red replacement remote control for Panasonic TVs with the functions of the original remote control
- ✓ Immediately ready for use: replacement remote control with pre-set code for most Panasonic TVs
- ✓ Codes adjustable for less common models
- ✓ Manufacturer-specific special keys
- ✓ Ergonomic main buttons for the easy control of volume and programme selection
- ✓ Function memory: permanently saves all functions from the taught buttons on the TV universal remote control while the battery is being changed
- ✓ With the wide range of 10 metres, you can control the TV conveniently even in large living rooms
- ✓ Function LED indicates whether the remote control is sending a signal
- ✓ Energy saving function: the universal remote control switches itself off automatically if a button is pressed for longer than 15 seconds, prolonging the life of the batteries if the remote control gets stuck between sofa cushions, for example, and a button remains constantly pressed
- ✓ The housing of this remote control is made of 100% recycled ABS plastic

Aprašymas

Learning function

A remote control that learns: with learning mode, you can transfer the functions of the original remote control very easily to the universal remote control, ensuring you keep everything that's important to you

Fast access thanks to smart control

Smart buttons for fast access: 1 Stream button to select the app menu, enabling you to access streaming services and so on faster

Luminescent buttons

Self-illuminating buttons: the number pad and main buttons are luminescent, making operation of the remote control child's play, even in darkened rooms, without you having to switch the light on

Easy mode

Easy mode function: the range of functions on this remote control can be restricted, preventing the TV settings from being accidentally modified. Ideal for hotels or the elderly, for example
