Aprašymas

The Neomounts WL30-265BL1 offers the ideal ultra-slim solution for various Samsung screens* up to 85", including the Crystal UHD professional signage displays. Level adjustment is available for the perfect installation.

The WL30-265BL1 is suitable for screens that meet VESA hole pattern 150x100 to 1200x800 mm and supports a maximum weight of 60kg. Strong magnetic contacts ensure solid placement of the screen while the convenient kickstand option allows easy access to cables and connectors behind the screen.
