Aprašymas

The PE010418ISRAEL Power Cord provides a reliable and secure connection between your devices and Israeli power outlets. This 1.8-meter cable features a standard Israeli plug on one end and a C13 connector on the other, making it ideal for connecting computers, monitors, and other electronic equipment that utilize a C13 power inlet. Benefit from MicroConnect's commitment to quality and safety with this essential power solution. With over 20 years of experience, MicroConnect ensures this cable meets stringent European standards for performance and durability, providing a safe and dependable power connection for your valuable equipment in Israel.

Techninė specifikacija
