Pagrindinės savybės

- ✓ **Space Efficient, Standing Design:** The Messenger Folio 2 case holds your iPad securely upright so you don't need extra surface space to accommodate a kickstand. Your iPad locks into a slot on the keyboard and fits neatly into the top of the case, making it easy to use in tight spaces, like an airplane tray
- ✓ **Laptop-style Keys:** No more cramped typing and misspelled words. Spacious laptop-style keys with clean precise keystrokes make typing fast and easy
- ✓ **Highlighted Function Keys:** The row of highlighted function keys at the top of the keyboard increases your speed and efficiency. Shortcut keys like Apps Running, Keyboard Hide/Show, Search, Pairing, Play, Next Play, Volume Control and more means you don't have to hunt and scroll for options
- ✓ **On-the-Go Efficiency:** Messenger Folio 2 is easy to use when you are on-the-go with instant pairing and type-C charging—the latest, most convenient way to charge. The magnetic closure holds the case securely closed while it's in your bag. The Messenger Folio 2 case also has the polished look and comfortable feel of more expensively priced, luxury tablet accessories
- ✓ **Long-lasting Battery:** Type for up to year before recharging the battery.* Keyboard automatically turns off when folded backwards against the tablet. The sleep/wake function helps preserve battery life when keyboard is not in use
