Pagrindinės savybės

- ✓ The super-flat TV wall bracket combines practical and aesthetic requirements, even for large TVs: stylish and unobtrusive format for that home cinema feeling from every viewing angle, perfectly suitable for ultra-flat TVs with a screen diagonal from 94 to 229 cm (37" to 90")
- ✓ Always the perfect distance from the TV: the swivel arm creates a max. wall distance of 27.8 cm
- ✓ No gaps: thanks to the innovative, ultra-slim design, the extra-flat wall bracket is virtually invisible when folded in with a minimum wall distance of 23 mm
- ✓ With the TV wall bracket, the TV set can be continuously tilted around by up to -10°
- ✓ Full motion in action: the fully mobile swivel arm on the TV set can be swivelled by up to 60° and always guarantees the best view of the action, including across rooms, for example in open-plan living and dining rooms
- ✓ Especially suitable for ultra-flat OLED TV sets that appear to hang directly on the wall with the ultra-slim wall bracket
- ✓ Exceptionally convenient and space-saving for optimal positioning of the flat screen TV in every room
- ✓ The Easy-Fix system allows all functions to be easily and steplessly adjusted and resecured
- ✓ Design developed in Germany

Aprašymas

Present your high-end TV perfectly with our world first: this ultra-flat yet fully mobile wall bracket turns your TV into a picture. Eye-catching technology and a well thought-out concept for your interior design!

Ultra-flat profile at 2,3 cm

Ultra-slim and discreet: with the low wall distance of 2.3 cm, the TV bracket integrates unobtrusively into your living environment, saves space and gives you plenty of freedom for design ideas

Fully mobile TV bracket

For the perfect viewing angle: this TV bracket adapts to your individual needs, whether they be for swivel, tilt or pull-out. This is how home entertainment works

Up to 90" and 50 kg

Extremely strong: stable construction with dual arm allows the secure attachment of TV sets with a weight of up to 50 kg and a screen diagonal of up to 90"

Ideal for super-flat TVs

Innovatively constructed: the design of the wall bracket is adapted to ultra-flat TVs and is perfect for particularly flat screens such as OLED TVs

Integrated cable management

For a tidy living environment: Cable management guides the cables tidily behind the TV set, avoiding cable spaghetti and saving space. The cable guide also protects the cable against breakage thanks to strain relief

TV mounting with VESA standard

Reliable mounting of TV sets with VESA standard from 200x200 to 600x400

Includes mounting material

Everything included: with the diverse mounting accessories, including high-quality Fischer plugs, you can get started straight away

Drilling template for marking the drill holes

The drilling template means easy marking of the drill holes without having to hold the bracket up against the wall

Including spirit level

Including spirit level for fast and easy mounting

Rebalancing

If the TV bracket has been mounted slightly at an angle on the wall, the position of the TV can be corrected by a few degrees horizontally

Tested quality

Make a safe choice with our tested safety and 10-year warranty: exacting stress, stability and functional tests guarantee high quality standards

Techninė specifikacija
