Horse and rider styling is better together! The grooming station is stocked with brushes, sponges and a hairdryer. You can even add colorful clips to your horse's mane, and don't forget the matching horse blanket and rider's vest. It's fashion and friends forever at the Horse Grooming Station from schleich!

The wellness session in the horse grooming station is going so well, the horse doesn't want to leave. The beauty horse is really enjoying all the brushing and sponging. To help the mane and tail dry faster, there's a hairdryer waiting in the drawer. Now the styling can begin. You can add beads, bows or flowers and there's even an extra strand of hair. To make sure everyone knows you belong together, the horse and rider have a

matching look: the horse blanket and vest have the same pattern and even the gaiters match the armband.
