Aprašymas

Load up the horses...it's time to travel to the big horse show! Groom your toy horses at the built-in grooming station, or practice the equestrian obstacle course in the modular paddock. Relax in the rooftop pool gather around the barbecue after a long day of training. Perfect for gift-giving, the Horse Transporter is a must-have addition to your Horse Club collection.

Wow, this horse transporter really has what it takes! Lisa has everything on board to travel to the next tournament with her family and as many as four horses. They have such a great time on their way there. During the journey the horses are safe and sound in their boxes. Once they've arrived, Lisa sets up the transportable paddock with fencing. She even has obstacles with her so that they can practice for the upcoming tournament. Lisa never gets bored of coming up with new exercises. And the parents? They get to relax in the rooftop pool.
