Pagrindinės savybės

- ✓ "Nexode Pro Series: UGREEN launches a new charging series Nexode Pro 65W Ultra-Slim fast charger, with more advanced technology and more professional chargers, bringing a next-generation charging experience
- ✓ Ideal for Travelers: The UGREEN Nexode Pro 65W Ultra Slim travel charger is perfect for jet setters, allowing you to travel almost anywhere in the world. It features a non-removable US plug and comes with interchangeable UK/EU plugs, making it incredibly versatile. Additionally, its fast charging capability ensures your devices are charged quickly and efficiently, no matter where your travels take you
- ✓ 3-in-1 65W Smart Charging: With 2 USB C ports and 1 USB A port, the UGREEN Nexode Pro charger supports fast charging for 3 devices at the same time with an intelligent current distribution system, providing a total of up to 65W power, And when you connect three devices, power will be distributed efficiently between ports to ensure you get the best charge
- ✓ 65W Max Power: Experience efficient, super-fast charging with up to 65W of power when using the USB-C1 port alone. This USB-C fast charger can charge your MacBook Air M2 from 0% to 50% in just 30 minutes and deliver full-speed charging for the latest Galaxy S24, ensuring your devices are always ready when you need them
- ✓ Intelligent GaNInfinity Chip: A new generation of GaN technology brings you a faster and more powerful charging experience—fantastic efficiency with less heat generation in a small and lightweight design, this flat design fits easily into narrow wall gaps
- ✓ Superior Compatibility: Nexode Pro 65W USB C Charger is compatible with MacBook Pro/Air, Dell XPS, iPhone 16/15/14/13 Series, Galaxy S24 Series, iPad Pro, Pixel Series, and more, And it also supports PPS 45W charging protocol for Samsung 45W super fast charge 2.0
- ✓ Comprehensive Protection: Equipped with intelligent chips to protect your devices from short circuits, over-voltage, over-temperature, and over current, protect you and your device"
