Aprašymas

Your Go-To Tool for Every Installation

Whether mounting switches or configuring patch panels, the Setup.exe gives you a stable surface at the perfect height. Use it hands-free to work faster, safer, and more comfortably—especially in tight rack spaces or during solo installations.

The Extra Pair of Hands You Always Needed

Setup.exe is the ultimate tool for IT technicians, designed to safely hold equipment during installation—all without help.

Two-in-One Mounting Genius

Use one side to support heavy equipment (up to 50kg), the other as a workstation for your laptop—ideal during configuration or patching.

No Tools, No Stress

Mount it in just 5 seconds—no screws, no frustration. Includes adapters for both square and round holes in all 19" racks.

Portable and Space-Saving

Folds flat, lightweight, and compact. Take it with you to every job without it weighing you down.

Built to Last a Lifetime

Made from durable powder-coated steel and aluminum, and backed by a lifetime warranty for worry-free use.
