Aprašymas

The Adapter USB A to A F-F (MPN: USBFAF) is a convenient and reliable solution for connecting two USB-A male cables or devices. This adapter features female USB-A ports on both ends, allowing you to extend the reach of your existing USB connections or change the gender of a USB-A port. Ideal for situations where you need to join USB cables together, this adapter ensures a stable and secure connection for data transfer and power delivery. MicroConnect's 20+ years of experience in connectivity solutions guarantees a high-quality product that meets European design standards, providing a dependable connection for your USB devices at a fair price.
