Aprašymas

You'll find everything you and your beloved Appaloosas need in this playset, including a drinking trough, hayrack and matching horse blankets. The saddle and bridle fit on the the saddle rack, while the paddock offers plenty of space for the mare and foal to get fresh air. Modular design makes it easy to combine with other schleich®HORSE CLUB playsets.

No wonder the Appaloosa mare and her foal feel so comfortable in the horse box: It's so cozy here and they have everything their hearts desire. Their feed is in the hayrack and soft horse blankets are also ready to be put under the saddle. While mare and foal drink a little water from the trough, the cat keeps them company. She has made herself cozy on the bale of straw. But she's not interested in the carrot, which the horse is allowed to nibble on. Maybe they'll both go out to the paddock to have some fun together.
