Pagrindinės savybės

- ✓ Wireless, efficient and safer than ever with the Qi2 charger for fast charging: sleek inductive charging station with Qi2 wireless charging featuring precise, magnetic alignment - simply place any compatible smartphone or headphones on the charger and charge them wirelessly
- ✓ Wireless fast charge: fast charger with charging speeds of up to 15 W
- ✓ The stand holder conveniently allows you to use the smartphone while it is charging, watch films in landscape and portrait format and hold video calls
- ✓ Ideal for office and home office
- ✓ Charging begins automatically after the smartphone is docked
- ✓ Discreet light of the LED function indicator on the headphone charging pad provides information about the charging status, switches off when fully charged
- ✓ To end the charging process, simply remove the smartphone from the wireless charging pad
- ✓ Safe and intelligent charging: Overcharge, overvoltage and short circuit protection as well as foreign body recognition for maximum safety for smartphones, batteries and chargers
- ✓ With flexible charging cable: no knotting and extremely bendable - with durable outer layer made of braided nylon
- ✓ Power supply via recessed USB-C socket so that the plug does not protrude annoyingly

Aprašymas

Charge your mobile phone wirelessly on your desk? Whether in the office, home office or on a chest of drawers and the like, the Qi2 charger makes a very tidy impression and charges your mobile phone quickly and magnetically with precision. Goodbye cable chaos, hello wireless charging!

High-quality Qi2 charging pad

Qi2 charger in high-quality design for the desktop: simply place the smartphone on the charging pad with the Qi2 standard and charge

Magnetic induction charger

The integrated magnetic ring means that compatible devices can be easily docked onto the charger and perfectly positioned for efficient charging - without any fiddly manual alignment

Flexible positioning

For every viewing angle: the smartphone holder can be inclined from 0 - 65 degrees so that you can view your mobile phone without straining your neck. You can rotate the smartphone itself on the wireless charger around 360° to suit, or position it in portrait or landscape format

Charging pad for headphones

Even more wireless charging: headphones can be charged wirelessly with a maximum of 5 W on the silicone tray

Compatible with Apple MagSafe and magnetic Hama mobile phone cases

Universal Qi2 standard: the induction charger works with all original Apple MagSafe products and Hama mobile phone cases with a magnetic ring, as well as with all Qi2-compatible devices

USB-C socket for charging

Charging with USB-C also works: whether mobile phone, power pack or Bluetooth speaker with USB-C connection - these devices also have a refuelling option at the USB-C socket of the charging station

Sophisticated aluminium housing

High-quality and robust metal housing with rounded aluminium edges for an elegant look

Wireless charging with Qi2

Wirelessly charge smartphones and other compatible devices with Qi2 technology

Wireless fast-charge technology

Wireless fast charge technology guarantees extremely fast charging

Can be used with smartphone case

Smartphones in magnetic wireless charging-compatible cases do not have to be removed and can be charged wirelessly right away

Automatic device recognition

Connected devices are automatically detected and optimally charged

Max. charging speed

Charging process optimized for the device which guarantees maximum charging speed

Saves the battery during the charging process

Optimized charging process saves the battery thus extending its service life

Stylish look and feel

Table charger in appealing design looks good, feels good and fits perfectly in every office and home environment with its discreet black-anthracite design

Techninė specifikacija

Performance	
Charger type	Indoor

USB Type-C ports quantity	1
Wireless charging	Yes
Wireless charging technology	Qi2
Fast charging	Yes
Power protection features	Over voltage, Overcharge, Short circuit
MagSafe compatible	Yes
Design	
Product colour	Black
Housing material	Aluminium
LED indicators	Yes
Power	
Input voltage	5 - 15 V
Input current	3 A
Maximum power	15 W
Weight & dimensions	
Width	120 mm

Depth	150 mm
Height	120 mm
Weight	353 g
Packaging content	
Quantity per pack	1 pc(s)
Cables included	USB Type-C
Manual	Yes
Matmenys ir svoris	
Svoris	0,53kg
