Aprašymas

Optimise your conference rooms with the Lindy Meeting Room Dock, the perfect all-in-one solution. Connect all your devices, like webcams, conference cameras or speaker bars easily for a smooth and efficient conferencing experience. Thanks to the Meeting Room Dock, you can connect multiple USB devices and share content effortlessly on a single screen. Whether for presentations, meetings or team collaborations, the Dock ensures that everything runs smoothly.

The Meeting Room Dock can be mounted either under the table or directly on the table, providing optimal support for all connections in your conference environment, tailored to your needs and room design.

It also delivers power to your connected laptop, minimizing cable clutter and eliminating the need for extra power adapters.

The HDMI® output delivers high-resolution 4K video and audio directly from the device, so your conferences take place in brilliant picture and sound

quality. The LAN connection also provides a stable and fast wired network connection to your laptop, so you can rely on an uninterrupted Internet connection. With the Meeting Room Dock, you have the ideal solution for all your conference requirements, a future-proof, easy-to-install and high-performance device that makes your meetings more efficient and professional.
