Pagrindinės savybės

- ✓ **Universal Design**: This 10-pack of solid blanking panels helps optimize airflow while covering open spaces for a cleaner, more professional rack layout
- ✓ **Professional Look**: Easily conceal empty U spaces and exposed cabling to maintain a tidy, unified look across your 19-inch server cabinet
- ✓ **Toolless Installation**: For fast and easy installation, these filler panels feature a toolless design that latches onto a standard 19" server rack equipment, saving you time and hassle
- ✓ **Reduce Thermal Buildup**: Fills unused rack spaces with solid blanking panels that guide airflow through installed equipment instead of recirculating, helping exhaust heat more efficiently and maintain proper rack temperature
- ✓ **The IT Pro's Choice**: Built to keep racks tidy, organized, and airflow-efficient, our rack accessories are tested for strength and long-term performance; Backed by free lifetime 24/5 multilingual technical support

Aprašymas

Use these blank rack panels to fill empty U-space in your rack to improve appearance and promote passive cooling

This 10-pack of 1U blanking panels can help you to improve the appearance and airflow of your EIA-310 compliant 19 in. server rack.

Professional look

These blank rack panels create a clean and professional look by covering empty rack spaces and visible cables, for a more organized server room.

Tool-less installation

For fast and easy installation, these rack blanks feature a tool-less design that latches onto a standard 19 in. server rack (with square mounting holes) saving you time and hassle.

Improve airflow

The filler panels feature a solid design that helps guide airflow down the back of your rack-mounted equipment, rather than through unused units of rack space. This helps expel any operating heat from your rack-mounted equipment, to keep it running at optimal temperatures.

Each of the blanking panels that are included with BLANKP10 is backed by a 5-year StarTech.com warranty and free lifetime technical support.

Techninė specifikacija

Features	
Type	Blank panel
Product colour	Black
Housing material	Plastic
Rack capacity	1U
Compliance industry standards	EIA RS310-D
Certification	EIA RS310-D
Weight & dimensions	
Width	42 mm
Depth	482 mm
Height	30 mm
Weight	104 g
Packaging data	
Quantity per pack	10 pc(s)
Package width	519 mm
Package depth	211 mm
Package height	147 mm
Package weight	158 g
Technical details	
Compliance certificates	RoHS
Logistics data	
Master (outer) case width	519 mm

Master (outer) case length	211 mm
Master (outer) case height	147 mm
Products per master (outer) case	1 pc(s)
Harmonized System (HS) code	85389099

Matmenys ir svoris

Svoris	2,02kg
