Pagrindinės savybės

- ✓ Hybrid ANC + ENC with Six Microphones – Uses external and internal microphones to detect and monitor noise both outside and inside the earbud, reducing ambient sound by up to 33 dB across a wider range of frequencies for more immersive listening. At the same time, ENC filters background noise to enhance voice clarity during calls.
- ✓ Up to 22.5 hours of playtime – Up to 6 hours playback per charge and up to 22.5 hours with charging case
- ✓ Bluetooth 6.0 connectivity – Stable, energy-efficient wireless performance with fast pairing and improved resistance to interference.
- ✓ Multipoint pairing – Connect to two devices simultaneously and switch between them more easily without repeated manual reconnecting.
- ✓ Immersive sound – 13 mm dynamic drivers and a 20Hz–20kHz frequency range deliver clear, balanced audio for music, videos, and calls.
- ✓ Built-in microphone for calls – Supports clearer voice pickup for everyday calls, meetings, and online communication..
- ✓ Comfortable in-ear fit – Includes three sizes of ear tips to help you find a more secure and comfortable seal.
- ✓ USB-C charging – Convenient recharging with widely used USB-C cables.
- ✓ Broad Bluetooth profile support – Supports HFP, HSP, A2DP, and AVRCP for calling, media playback, and control functions

Aprašymas

Silence the world. Hear everything.

The Verbatim TruSound Pro Earbuds with Hybrid ANC bring a genuinely advanced approach to noise cancellation. Six microphones work simultaneously – external mics detecting ambient noise in the environment while internal mics monitor sound inside the ear canal – cancelling noise across a wider range of frequencies for up to 33dB of reduction. The result is deeper, more immersive isolation than standard single-sided ANC can deliver, turning any environment into your own personal listening space.

The latest wireless, now in your ears.

Bluetooth 6.0 is the newest and most advanced wireless standard available – and these are the only earbuds in the TruSound range to feature it. Faster pairing, lower latency, and a more stable connection even in crowded wireless environments – airports, campuses, and busy transport hubs – make this a standout feature for anyone who’s experienced drop-outs or lag with older Bluetooth technology. Multipoint pairing keeps you connected to two devices simultaneously, so switching between phone and laptop is always effortless.

Clarity in every direction.

ENC works alongside Hybrid ANC but independently – during calls, it filters background noise to keep your voice clear and easy to understand no matter where you are. With 22.5 total hours of playtime via the USB-C charging case, 6 hours per charge, and three sizes of ear tips for a personalised fit, the TruSound Pro Earbuds pack an exceptional amount of technology into an impressively compact package.

Techninė specifikacija

Performance	
Product type	Headset
Wearing style	In-ear
Recommended usage	Calls/Music
Headset type	Binaural
Product colour	Black
LED indicators	Power
Clear Voice technology	Yes
Housing material	Acrylonitrile butadiene styrene (ABS)
Noise Reduction Rating (NRR)	33 dB
Country of origin	China
Ports & interfaces	
Connectivity technology	Wireless
Bluetooth	Yes
Bluetooth profiles	A2DP, AVRCP, HFP, HSP

Bluetooth version	6
Wireless range	10 m

Headphones

Ear coupling	Intraaural
Maximum input power	3 mW
Intraaural headphones type	In-ear monitors
Headphone frequency	20 - 20000 Hz
Impedance	32 Ω
Headphone sensitivity	109 dB
Driver unit	1.3 cm
Noise canceling	Yes
Noise canceling type	Active
Noise reduction	Yes

Microphone

Microphone type	Built-in
Microphone sensitivity	-42 dB
Number of microphones	6

Battery

Battery technology	Lithium Polymer (LiPo)
Right earpiece battery capacity	35 mAh
Left earpiece battery capacity	35 mAh
Continuous audio playback time	6 h
Continuous audio playback time (with charging case)	21 h
Battery capacity (charging case)	350 mAh
Battery voltage	3.7 V

Operational conditions

Operating temperature (T-T)	0 - 40 °C
Storage temperature (T-T)	-10 - 45 °C

Weight & dimensions

Width	50 mm
Depth	25 mm
Height	62 mm
Weight	48 g

Packaging data

Package width	36 mm
Package depth	90 mm
Package height	95 mm
Package weight	100 g
Package type	Hanging box
Packaging content	
AC adapter included	No
Charging stand	No
Charging case	Yes
Charging case connector type	USB Type-C
Built-in display (charging case)	Yes
Quick start guide	Yes
Cables included	USB Type-A to USB Type-C
Logistics data	
Harmonized System (HS) code	85183000
Technical details	
Warranty period	2 year(s)
Paper packaging weight	30 g
Power	
USB Type-C charging port	Yes
USB Type-C required charging power (min)	5 W
USB Type-C required charging power (max)	5 W
Certificates	
Waste Electrical and Electronic Equipment (WEEE) compliance	Yes
UN number	UN38.3
Compliance certificates	CE, RoHS
Matmenys ir svoris	
Svoris	0,09kg
