Aprašymas

Introducing the Equip Eco Mount Wall Mount Cabinets—designed for seamless integration and efficient management of network components, emphasizing sophisticated cable organization. Constructed from robust 1.5 mm thick steel sheets, these cabinets are paragons of durability and security, ensuring the protection of your valuable equipment. Choose from elegant shades of grey (RAL 7035) and black (RAL 9005) to enhance both functionality and aesthetics. Available in 10" or 19" variants, the Equip Eco Mount series offers a smooth experience exclusively for wall-mounted configurations. The door design allows easy reorientation from right to left to suit your spatial requirements. To maintain an optimal operational environment, the cabinets are equipped with integrated ventilation slots at the top. Our design prioritizes effective cable management. The top and

bottom each have a cable entry covered with a removable plastic cover for easy cable routing and protection.

We offer a broad range of accessories, like cable management tools and shelves, to meet diverse operational needs. The Equip Eco Mount Wall Mount Cabinets allow you to enhance your IT infrastructure confidently and efficiently. Choose our cabinets for a smarter, more organized, and reliable network solution. Opt for either the 10" or 19" model and elevate your IT environment's performance today.

Please note, these cabinets are not pre-assembled. Assembly is straightforward, and we provide an instructional video to guide you through the process.
