Pagrindinės savybės

- ✓ One male and one female 3.5 mm stereo auxiliary connector to extend a connection from a media source to an audio device
- ✓ Premium HiFi quality with 24 karat gold-plated contacts and pure oxygen-free copper (OFC) wire
- ✓ Ideal for all devices with a 3.5 mm stereo jack such as car sound systems, headphones, speakers, smartphones, laptops, tablets, iPods®, MP3 players, amps and more
- ✓ TRRS / 4-pole design to support microphone functionality
- ✓ Sturdy aluminum boot for superior durability
- ✓ Slim design to fit inside most tablet and phone cases
- ✓ Highly flexible, durable jacket with heavy-duty strain relief

Aprašymas

Headphones Extender Cable - slim 3.5 mm stereo audio extension cord, male to female (M/F), with premium HiFi quality for brilliant sound

The Manhattan Stereo Audio Aux Extension Cable extends the connection from a device with a 3.5 mm stereo plug to another with a 3.5 mm stereo jack: your headphones to your tablet, your car sound system to your phone, your portable speakers to your laptop and more. Thanks to its slim design, you don't have to take your case off your phone or tablet to make the connection.

Perfect conductivity with Oxygen-free Copper (OFC) and gold-plated contacts

For best sound in HiFi quality, conductivity is everything because it maintains the integrity of the sound signals. To achieve maximum signal integrity, this cable comes with 24 karat gold-plated contacts and pure OFC wire. For additional physical durability, the cable's aluminum boots help withstand daily or on-the-go use and a lot of plugging/unplugging. The durable jacket with strain relief remains highly flexible in all connection scenarios.

Techninė specifikacija

Features	
Cable length	1 m
Connector 1	3.5mm
Connector 2	3.5mm
Connector 1 gender	Male
Connector 2 gender	Female
Product colour	Black, Silver
Connector 1 form factor	Straight
Connector 2 form factor	Straight
Connector contacts plating	Gold
Cable material	Copper
Jacket material	Polyvinyl chloride (PVC)
AWG wire size	28
Certificates	
Certification	CE RoHS REACH WEEE
Operational conditions	
Operating temperature (T-T)	-5 - 80 °C
Storage temperature (T-T)	-10 - 85 °C

Weight & dimensions

Cable diameter	3 mm
Weight	20 g

Packaging content

Quantity per pack	1 pc(s)
