Aprašymas

The Gembird TSL-ODCAM-WRHD-01 is a versatile network surveillance camera designed for both indoor and outdoor use. It features a robust lens system with an f/2.0 aperture and a minimum focal length of 3.6 mm, offering a wide angular field of view of 120 degrees. With its 2K resolution capability, this camera captures sharp and detailed video footage, making it ideal for security applications. Its dual compatibility with the Tuya Smart App and Smart Life provides users with a convenient way to monitor their surroundings remotely.

Equipped with a built-in microphone and speaker, the Gembird camera allows for two-way audio communication, enhancing its functionality as a surveillance device. Motion detection capabilities ensure that any movement is promptly noted, and alarm notifications add an extra layer of security. This camera operates effectively in various environmental conditions, with a temperature range from -20°C to 55°C and humidity compatibility between 10% to 90%. The external power adapter requires only 12 W of operational power, making it efficient in performance.
