Pagrindinės savybės

- ✓ 100 W max (50 W RMS)
- ✓ Bluetooth 6.0, Auracast
- ✓ Internet radio with Airable
- ✓ DAB+\\FM\\CD\\USB\\audio-in

Aprašymas

All your music, more ways to listen

Internet radio, podcasts on demand, CDs, and more. This all-in-one micro system brings rich stereo sound to any source. Turntables, USB devices, and wired headphones connect easily, and Auracast™ is supported for multi-speaker setups.

Plays all your music

This versatile system lets you listen to internet radio or podcasts on demand from around the world, stream Spotify Connect over Wi-Fi, and enjoy all your CDs. You can also stream via Bluetooth®, play music from USB, tune in to DAB+/FM radio, and connect a turntable via audio-in.

Powerful stereo sound for everything you love

You'll enjoy crisp, clear audio with deep bass thanks to the full-range speakers with bass-reflex ports. The powerful 100 W max (50 W RMS) sound is perfect for a kitchen, a home office, or a smaller living room, and you can plug your wired headphones into the 3.5mm headphone port when you want to listen in private.

Easy streaming with Bluetooth multipoint connectivity

Bluetooth® 6.0 brings you a faster, steadier connection and the LC3 codec is supported for noticeably better sound. The range is wide enough that you'll be able to control what you're streaming from practically anywhere in the house.

Auracast for multi-speaker setups

If you want even bigger sound, you can use Auracast™ to broadcast music from this micro system to as many compatible speakers as you like. You can also make the system a receiver and send sound to it from your record player. Setup is simple via our companion app.

Compact all-in-one design

Stereo speakers are built right into the wooden cabinet of this all-in-one micro system, and a clear colour display shows the source or station. Dials control volume, source selection, and tuning. A physical remote control is included in the box, or you can use our companion app.

Techninė specifikacija

Design	
Type	Home audio micro system
Product colour	Black
Optical disc player	Yes
Cassette deck	No
Country of origin	China
