Aprašymas

Sandberg Streamer USB-C Wireless Mic x2 is a compact wireless microphone set that makes it easy to record clear audio in seconds. Just plug the USB-C receiver into your smartphone, tablet, or computer, and you're ready to go—no cables, apps, or complicated setup needed. The set includes two wireless microphones, so you can use one alone for streaming and video or both simultaneously for interviews. The microphones are easily charged in the included charging case, making the set perfect for on-the-go use. Windshields are included to help reduce wind noise during outdoor recordings. Ideal for content creation, interviews, social media, and quick recordings with solid and clear sound.
