Pagrindinės savybės

- ✓ Experience powerful bass and clear highs for gaming, streaming, and music. Maintain tonal balance for precise in-game cue detection
- ✓ The built-in virtual surround sound system creates a wide soundstage so footsteps, explosions, and dialogue sound like they're all coming from exactly where they should. The built-in DPS keeps audio and screen action in perfect sync.
- ✓ The 90-degree angled USB-C plug bypasses onboard audio solutions for consistent performance across devices. Designed for mobile gaming prevents snags and pulls. These wired earbuds also provide lag-free in game audio and voice chat USB connection
- ✓ The omnidirectional MEMS microphone with noise reduction clearly captures voices from all angles for clear team chat and streaming. It maintains consistent distraction-free clarity while reducing background noise so you can focus on communication – durable and built for any gaming environment.
- ✓ Lightweight and pocket-ready, these earbuds are extremely comfortable at a fraction of the weight of a full-sized headset. The cable weighs less than 30 g, and the slim size design makes it easy to store in its protective hardshell carrying case.

Aprašymas

Plug. Go. Play

Legendary Comfort. Zero-Latency Immersion. Cloud Earbuds III S are your ultimate gaming companion on the go, bringing HyperX signature comfort and zero-lag immersion into a sleek, pocket-ready form. With ear tips in a range of sizes from XS to L, you can stay cool and comfortable during marathon gaming sessions. With HyperX-tuned 14 mm drivers and integrated surround sound, you'll be at the center of every battle without an additional sound card. An omnidirectional MEMS microphone that delivers better audio than your average earbuds, and an inline control lets you instantly switch volume, mute, and access surround sound for complete control. The angled connector delivers true plug-and-play speeds across mobile, handheld, and PC, with zero lag, no batteries, and no dropped connections — so you can play and win anywhere without sacrificing comfort or performance.

Techninė specifikacija

Performance	
Product colour	Black
