Pagrindinės savybės

- ✓ Extremely stable microphone arm made of aluminum in classic black with table clamp (up to 60 mm)
- ✓ Swivel arm allows set-up at any angle
- ✓ Built-in USB hub with two ports (5V/2A) provides connectivity for multiple USB devices
- ✓ 2.5 m USB cable integrated
- ✓ 3/8" threaded connector with extra 3/8"-to-5/8" adapter included
- ✓ Maximum load of up to 800 g

Aprašymas

A microphone arm provides you with the space necessary to be able to speak into the microphone while actively using the mouse and/or keyboard. For this reason, the MA 6.0 UNI USB is especially recommended for live streams, gaming videos or video conferences. It is made entirely of aluminum and can be conveniently attached via a table clamp. Thanks to its joints, the microphone holder can be easily adjusted and the microphone optimally positioned.
