Pagrindinės savybės

- ✓ Stable and mobile background system for professional photography and videography: perfect for studio photography, on location, for motto photo shoots and business and portrait photography as well as video production, for YouTube, Instagram, TikTok, streaming and so on
- ✓ The handy 2-part telescopic tube makes optimised staging of the main motif easier and allows the rapid exchange of fabric backgrounds and paper backgrounds on rolls
- ✓ Transportable and flexible tripods for photo backgrounds from 158 cm to 295 cm in width guarantee professional results in photography and video production
- ✓ Creates the ideal conditions for the digital reworking of shots, e.g. for cropping and integrating other background images
- ✓ Ideal for all kinds of photo projects, from business portrait photos and advertising or product photography to pet photographs and couples' photo shoots
- ✓ Thanks to excellent stability, it is ideal as a background static photo wall for taking to customer commissions, photo courses, video shoots, etc
- ✓ The three-legged tripods can also be used as studio and travel lamp tripods and have foot caps that further increase their stability
- ✓ Twist mechanism for rapid and tool-free setup and dismantling: secure and unlock the telescopic cross-bar with simple twisting movements
- ✓ Cross-bar extension: 158 cm to 295 cm
- ✓ Tripod extension: 84 cm to 260 cm

Aprašymas

Whether it be monochrome, green screen or panoramic landscape: the Hama background tripod set makes working with all common formats for photo backgrounds easier, with or without a roll. You always have all the professional background design options at your fingertips

Steplessly extendable telescopic bar and tripods: the height and width of the flexible photo background system can be steplessly adjusted for a perfectly coordinated arrangement of the image motif, lighting and background

Photo studio to go: the portable background system can be packed up extremely small for transport and storage and is a piece of essential equipment for all photographers who like to be flexible and practical

Techninė specifikacija
