## Pagrindinės savybės

- ✓ Workgroup Laser Mono printing
- ✓ 1200 x 1200 DPI
- ✓ Printing colours: Black
- ✓ A3 37 ppm
- ✓ Mono copying Mono scanning
- ✓ Apple AirPrint, Mopria Print Service
- ✓ USB port Ethernet LAN Bluetooth
- ✓ Internal memory: 6000 MB Built-in processor Marvell 88PA6270 1200 MHz
- ✓ 41 kg

## Aprašymas

The IM 370 unlocks new value in your print infrastructure with secure, cloud-based printing and scanning. Remote collaboration is easier than ever before with a host of integrated software options.

This intelligent A4 mono device offers an output speed of 37 ppm and the added flexibility of A3 capabilities, helping you make the most of your office space. Made using recycled plastics and offering industry leading low TEC value (0.381 kWh), it is the perfect addition to any future-focused business.

## Techninė specifikacija

### Printing

|                                                   |                 |
|---------------------------------------------------|-----------------|
| Print technology                                  | Laser           |
| Printing                                          | Mono printing   |
| Maximum resolution                                | 1200 x 1200 DPI |
| Print speed (black, normal quality, A4/US Letter) | 37 ppm          |

### Copying

|                          |               |
|--------------------------|---------------|
| Copying                  | Mono copying  |
| Maximum copy resolution  | 600 x 600 DPI |
| Maximum number of copies | 999 copies    |
| Copier resize            | 25 - 400%     |

### Scanning

|                             |                                       |
|-----------------------------|---------------------------------------|
| Scanning                    | Mono scanning                         |
| Duplex scanning             | Yes                                   |
| Optical scanning resolution | 1200 x 1200 DPI                       |
| Scan to                     | E-mail, FTP, Network folder, SMB, USB |

### Fax

### Features

|                            |                             |
|----------------------------|-----------------------------|
| Duplex functions           | Scan                        |
| Number of print cartridges | 1                           |
| Printing colours           | Black                       |
| Page description languages | PCL 5e, PCL 6, PostScript 3 |

### Input & output capacity

|                             |            |
|-----------------------------|------------|
| Total number of input trays | 1          |
| Total input capacity        | 500 sheets |
| Total output capacity       | 250 sheets |

### Paper handling

|                                 |                                                            |
|---------------------------------|------------------------------------------------------------|
| Maximum ISO A-series paper size | A3                                                         |
| Paper tray media types          | Envelopes, Labels, Letterhead, Plain paper, Recycled paper |
| ISO A-series sizes (A0...A9)    | A3, A4, A5, A6                                             |
| ISO B-series sizes (B0...B9)    | B5, B6                                                     |

### Ports & interfaces

|                                                   |                                                                                                                                                                                                                                                                                                                                               |
