Aprašymas

Small , but mighty: With the tripod for smartphones plus mobile phone holder with ¼" connection, you will take sensational and versatile photos, selfies and videos – whether on holiday, on a hike or as a blogger, vlogger and influencer, from beauty and cooking to DIY, whether with a mobile phone or digital camera – original shots are guaranteed

For photo, video and streaming

From influencer to video star: the camera and mobile phone tripod for the ideal height and accessory mounting offers the ideal conditions for every content creator, and is perfect for all online formats, including YouTube, Twitch, Instagram, TikTok and more

High-quality workmanship

Professional mini tripod: stable and robust workmanship with high-quality materials and screwed-in rather than bonded components to guarantee a tripod with a long service life; aluminium inserts and Nylon-reinforced plastic for additional stabilisation

Compact travel format

With lightweight luggage: the small, stable travel tripod is always with you - with its small packed dimensions, it is the ideal tripod for on the go

Extendable tripod legs

Small, but flexible: the height of the tripod legs can be adjusted in 4 stages, very easily via a sliding locking mechanism with the press of a button on the inside of the tripod legs

Mobile phone tripod with remote control

Relaxed arrangement and in the picture: Bluetooth trigger for perfect selfies, group photos and videos – for authentic and high-quality pictures without a selfie stick

Selfie stick

Variety in mini format: selfies, video diaries and blogs - the camera tripod with fold-in tripod legs can easily be used as a selfie stick

Ball head

Brings movement to life: the ball head allows perfect orientation for recording in portrait and landscape format
