Aprašymas

- Allows users and data center professionals to learn from specifications generated by the world's leading experts on the subject.
- With the option of packages or individual service components, our services are structured to allow you to pick and choose what you would like APC to do for you.
- Ensures quality by using only APC Certified Engineers with several years of industry experience.
- Travel and labor expenses are included in most service contracts. Please see the statement of work for the service specifics.
- Reduces the need for expensive change orders.
