Aprašymas

The Xerox® B310 printer is a compact black-and-white printer perfect for lean, busy teams and home offices. Easy to set up with Xerox® Smart Start Software and ready to work hard right out of the box. The B310 includes built-in wireless functionality with Wi-Fi Direct, and an easy to use interface. Designed for small to medium-sized businesses and home offices with features such as automatic 2-sided printing on letter and legal sized paper, standard paper capacity of 250 sheets, a 1 GHz dual core processor with 256 MB of memory, and monthly print volumes up to 8,000 pages, the B310 is a workhorse. Achieving EPEAT certification means the C235 meets comprehensive criteria for design, production, energy use, and recycling. And the Xerox Supplies Recycling Program offers hassle-free toner cartridge recycling. With N-up printing multiple pages are reduced in size and then printed on a single sheet of paper. This feature is especially useful when outputting presentations or numerous thumbnail images, or when trying to conserve paper.
