It includes features such as automatic 2-sided printing on letter and legal sized paper, a 50-sheet automatic document feeder, standard paper capacity of 250 sheets, a 1 GHz dual core processor with 512 MB of memory, and monthly print volume up to 2,500 pages, the B235 is a workhorse. Do more with optional Xerox Workflow Central, allowing you to convert documents into other languages, change handwritten messages into shareable text documents, create audio files of hardcopy to listen to on the go, automatically redact content, and convert scans into Microsoft Office Applications. And our Green World Alliance program offers hassle-free toner cartridge recycling.
