Aprašymas

The affordable Xerox C235 Color Printer is built for fast, nimble offices and home offices that need a color printer that can keep up with them. Easy to set up with Xerox® Smart Start Software and ready to work hard right out of the box. This device was designed for high-demand print environments, with an easy to use interface, automatic 2-Sided printing on letter and legal size paper with standard paper capacity of 250 sheets. Built-in wireless and Wi-Fi Direct function lets you print directly from mobile devices and tablets. Designed with a recommended monthly print volume of up to 1,500 pages per month, a 1 GHz dual core processor, 256 MB memory, and print speeds up to 24 Letter pages per minute/ 22 A4 pages per minute the C230 is a workhorse. Achieving EPEAT certification means the C230 Color Printer meets comprehensive criteria for design, production, energy use, and recycling. And our Green World Alliance program offers hassle-free toner cartridge recycling. With N-up printing multiple pages are reduced in size and then printed on a single sheet of paper. This feature is especially useful when outputting presentations or numerous thumbnail images, or when trying to conserve paper.
