This device was designed for high-demand print environments, with 2.4-inch color touchscreen user interface, 50-sheet automatic document feeder, automatic 2-Sided printing on letter and legal size paper with standard paper capacity of 250 sheets. Built-in wireless and Wi-Fi Direct functionality lets you print directly from mobile devices and tablets. Do more with optional Xerox Workflow Central, allowing you to convert documents into other languages, change handwritten messages into shareable text documents, create audio files of hardcopy to listen to on the go, automatically redact content, and convert scans into Microsoft Office Applications.
