Maxo Fast 38W PD Car Charger

38W car charger with USB-C and USB-A port, for fast charging your devices on the road

Double the possibilities

Keep yourself charged on-the-go with the Maxo Car Charger. With two USB ports, easily charge two devices at the same time, meaning you can use your phone for navigation or calls while you drive, and still arrive to your destination with it fully charged – how convenient is that!

More power, more drive

Just because this charger doesn't rely on wall power doesn't mean we skimp on the output. Its hefty 38W output power gives you all the juice you need to pump up your phone and other devices whilst you focus on your journey.

Pocket-sized powerhouse

Your car is your safe haven, so we made sure the Maxo takes up as little space as possible. With a compact design, it offers a high power output in a small form and is also easy to pop into a pocket or bag and take with you.
