31.99€

Discover the Samsung MUF-64DA USB flash drive, a reliable solution for storing and transferring your digital content. Designed to meet the needs of users who demand durability and speed, this flash memory device offers a robust build that's resistant to X-rays, magnets, shocks, extreme temperatures, and water. Whether you're a professional needing to transport important documents securely or an adventurer wanting to safeguard your memories, this flash drive stands up to the challenge. Its USB-C 3.2 Gen 1 interface ensures swift data transfer rates of up to 300 MB/s, so you can move files quickly and get back to what matters most. With a generous 64 GB of storage, it accommodates a significant amount of data, from high-resolution photos and videos to music libraries and essential documents. The Samsung MUF-64DA is not just a flash drive; it's a companion for your digital life, ensuring your data is always within reach and protected.
